Forestry Kit

This Forestry kit is equipped with: Leightning L1H earmuffs (#1012539) provide superb benefit comfort and protection against hazardous noise, features patented Air Flow Control™ technology for optimal attenuation across all frequencies. SNR28. Bright orange polyethylene helmet increases visibility in the field. Light weight and vented on the top, it is ideal for outdoor work. Also featuring a rain gutter, this helmet is made for outside applications. Fully equipped with a 6 point harness, it is also very comfortable. Mesh face shield (#1017800) is durable, flexible and easy to adjust (flip-up-and-down). Detachable brim/sun peak. Integrated neck guard protects from debris and sun/rain.
