SAFETY FOOTWEAR

Teleza Chelsea Boot

Size: 4 - 13 Black & Brown EN ISO 20345:S1

- Achieve your own personal style with its full grain crazy horse leather upper. Specially constructed with a full moisture-wicking lining to help keep your feet drier, a new improved moulded, padded, and removable sock liner to add that extra comfort to help you perform at work. Help protect your feet with its steel shank, 200J impact resistant steel toe cap and dual-density PU sole. This lace free boot is the perfect choice if you're looking for comfort, a wide fit, style and protection in your working environment.

Razer SP

Size: 4 - 13 Black ISO EN 20345 : S1P

- It's a rugged and hardworking safety boot offering an anti-penetration protection at an affordable price. It was specially designed and constructed with a split genuine leather upper (1.4-1.6mm) for increased durability, 4 reinforced non-rusting, durable, metal d-rings, an EVA foam padded collar for added comfort & ankle support, an EVA foam padded bellows tongue that prevents debris from entering the boots, a cambrelle moisture-wicking lining that helps keep your feet drier during work hours and full padded removable EVA sock liner for increased and superior comfort. For added reliable protection we developed an anti-penetration steel plate and wide-fitting, comfortable steel toe cap tested to 200J impact resistance. A ladder grip sole design, oil & acid resistant features and crack-resistant technologies tested to 30000 flex-cycles are just some of the features that makes this the perfect choice for your unique working environment.

Askari Mid

Size: 4 - 13 Black & Brown ISO EN20345

- Comfort plays an important role in the choice of boot for those who wear them the entire day. This long-wearing boot is designed for your work performance and success.
